

Exhibition Program WAFIOS Innovation Days Reutlingen 2023

(subject to alterations)

WAFIOS AG

- CNC Spring and wire forming system FMU 20+ with linear transport, cutting attachment, camera
- CNC Spring and wire forming system FMU 32+
- CNC Spring and wire forming system FMU2 Retrofit
- CNC Torsion spring coiling machinery system FTU 1.5 with insulation stripping device FSA 2.5
- CNC Spring coiling machine F30
- CNC Spring coiling machine FUL 16
- CNC Spring coiling machine FUL 26+ *4speed*
- CNC Spring coiling machine FUL 56
- CNC Spring coiling machine FUL 76
- CNC Spring coiling machine FUL 126
- Extension spring machine ZO 26
- Ring coiling machine SNA 16
- Ring coiling machine SNA 36
- Single-plate (Ø740) spring end grinding machine G 450 with Böhm loading device RZ 6.4 and Böhm setting and testing device SPA 6.4
- Single-plate (Ø580) spring end grinding machine G 450
- Single-plate (Ø740) spring end grinding machine G 450
- Dual-plate spring end grinding machine G 450
- Wire straightening and cutting machine R 36 with adjustable rotor and *iQm-straight*
- Wire straightening and cutting machine R 36 EBF
- Wire straightening and cutting machine R 45 with adjustable stop; tilting and collecting station
- CNC Coiling and bending machine B 36
- CNC Coiling and bending machine BM 36 HS mit EasyRobot
- CNC Coiling and bending machine BM 43 HS
- CNC Dual-head bending machine BMS 36
- CNC Bending machine for flat wire BMF 60 with mechanical milling cutter **World premiere**
- CNC Bending machine for flat wire BMF 90 **World premiere**
- CNC Busbar Production System BMF 60
- CNC Spring and wire forming system FMU 40 E for hairpins with EasyRobot
- Chain bending machine KER 5.2
- Chain welding machine KEH 5.2
- Chain welding machine KEH 3.2 NF (Mains frequency) **World premiere**
- Chain welding machine KEH 3.2 MF (Medium frequency) **World premiere**

- CNC Tube bending center BMZ 6 **World premiere**
- CNC Tube bending center BMZ 8
- CNC Tube bending machine TopBend 35
- CNC Tube bending machine RBV 60 R
- CNC Tube bending center TWISTER² 25 RL
- CNC Tube bending center TWISTER² 35 RL **World premiere**
- CNC Tube bending machine HotBend 35

- **iQ** solutions, including **iQautopitch**, **iQtube+**, **iQspring+**, **iQconvert** and others
- Automation solutions
- WAFIOS 2nd Life
- Customer Service
- Tool Center
- Digital Services (connectavo)

WAFIOS Tube Automation GmbH

- Tube endforming machine RU12-Compact
- Tube bending machine RB30

Co-exhibitors WAFIOS Innovation Days 2023

(subject to alterations)

- Klaus Böhm Elektronik GmbH
- Dreisbach & Jungmann GmbH & Co. KG
- E.W. Menn GmbH & Co. KG
- Hexagon AICON ETALON GmbH
- imess Optische Mess- und Prüfanlagen GmbH
- iT Engineering Manufacturing Solutions GmbH
- ROLAND ELECTRONIC GmbH
- THELEICO Schleiftechnik GmbH & Co. KG
- WAFIOS Umformtechnik GmbH
